

2008 In 2 Cricket

Cromer Cricket Club is proud to be running the 2008 in2cricket Course for 4 – 6 year olds.

What is in2cricket?

In2Cricket is a Junior Development Program that had been previously known as Milo Have-a-Go program organised by the NSW Cricket Association since 1996. Designed for 5 – 8 year old boys and girls. As Cromer has a very successful Kanga Cricket program for 7 & 8 year olds Cromer has decided to run in2cricket for the 4 – 6 year olds in our community. It is a program that incorporates high participation with skill development and is an introduction into the sport of Cricket.

The skills aimed to develop are – running, balance, throwing, batting, bowling, catching and spatial awareness – all the skills required in the game of Cricket.

When: Friday 24th October 2008 - for 6 weeks – Registration is at 4.30pm on this day.
